Baltimore Commercial.

The COMMERCIAL represents a new and indispensable feature of Baltimore journalism. A commercial journal ably edited and fully alive to the developement of trade and industry is now a virtual necessity in all large cities. Before the publication of the COMMERCIAL, Baltimore was, properly speaking, without such a journal; all previous efforts having only resulted in mere price currents or trade circulars, depending mainly for a circulation on the gratuitous efforts of commission merchants. The publishers of the COMMERCIAL have given to Baltimore, for the first time, an original commercial newspaper, in which are presented the progress of manufactures, transactions of trade, market reports, financial affairs, mining and railway intelligence, and all in a clear and readable manner.

It publishes the changes in business in all the leading cities and towns of the South and West; this feature alone is almost invaluable to merchants and manufacturers; also interesting and full reports from special correspondents in all parts of the country. In this way it gives the

MANUFACTURING AND AGRICULTURAL NEWS OF THE UNITED STATES.

The liberal support received from the commercial classes, furnishes conclusive evidence that the COMMERCIAL is now

AN ESTABLISHED SUCCESS.

Its high character as a commercial paper, has gained for it a hearty welcome among all branches of trade and industry.

The COMMERCIAL has an extensive and

RAPIDLY INCREASING BONA FIDE CIRCULATION

among Western and Southern dealers, and in the country immediately tributary to Baltimore. The COMMERCIAL is not for gratuitous distribution. Its wide circulation and influence is the result of its value to the better class of merchants and manufacturers. It is seen therefore, that the COMMERCIAL is

UNRIVALLED AS AN ADVERTISING MEDIUM.

Its subscribers compose the buyers and sellers of the community.

The COMMERCIAL is published every Saturday. The market reports are carefully corrected up to the hour of going to press. All inquiries relating to advertising will be cheerfully answered.

TO OUR PATRONS.

In presenting our new Price List and the accompanying Plate of Designs of Marble and Granite Work for Cemeteries and Church Yards, we have pleasure in calling your attention to our largely increased facilities combined with an experience of upwards of half a century in the manufacture of cemetery work exclusively, enabling us to furnish a class of work at a more moderate price than any offered heretofore.

The designs as shown on our engraved plate is a fac simile of the kind of work now in use at the principal cemeteries, while inexpensive in cost, they are appropriate, unostentatious, enduring, and beautiful in design, and to add still to their character as works of Art, we engrave inscriptions thereon in the most artistic style, which places our work beyond competition.

The stock of finished work on hand is larger than any similar establishment, and all tastes can be suited. Thus doing away with the old style of waiting for an indefinite time to have the work made to order. We give personal attention to shipping and obtain the lowest freight rates for our patrons, both by Rail and Water Lines.

We pack our goods in strong cases for shipment any distance, and it is an unheard of case of their arriving in a damaged condition.

We are confident that by low prices, fair dealing and a strict and prompt attention to your orders we should receive a share of the trade in your section.

Respectfully yours,

GADDESS BROTHERS.
